

Ashfield

2  2  1 

These refined apartments have thoughtfully designed interiors with the kind of aesthetics and modern conveniences only new builds can offer in a location that is quiet, safe, and so convenient.

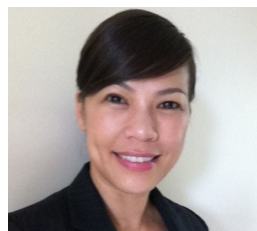

One of the best in the Inner West, this aspirational suburb of Ashfield sits near at hand to Sydney's CBD while nestling close by busy business and social scene, expanding transport network, and shopping centres.

Key Features:

- Most apartments come with Winter Gardens, which is a great feature of this project and creates seamless indoor/outdoor living
- Contemporary fashionable design created by award winning Tony Owens Partner architect
