

The Peninsula, Hope Island Hope Island QLD

The Peninsula Hope Island is Gold Coast's hidden treasure as the last waterfront development to be released at the exclusive Hope Island Resort. Each lot can have its own private marina berth, these 45 parcels of land offer an increasingly rare opportunity to build a significant dream home on picturesque waterfront and the ability to voyage through endless protected waterways to a host of destinations including dining, shopping and South Stradbroke Island; within minutes feeling miles away.

Future stages include spacious apartments and townhouses that will enjoy all the benefits of living in the prime central position within this prestigious residential resort.

Hope Island Resort is an exclusive gated community with
